STAT

Dear General Beddel-Smith,

STAT  suggested that you might be interested in the enclosed poll on communism in France. It is a completely honest and extremely thorough poll, made by the recognized authority for this work in France. If you know of anyone who might be interested in receiving a copy would you be kind enough to let me know.

It has been a long time since I have seen you, but I often hear of you through mutual friends and I hope to see you on my next visit to Washington. If you come to Paris, please let me know - the address of my house is on the letterhead.

My best wishes,
